

SARAH DAVIES- HIBBERT

Specialist Dental Technician

WHY JOIN THE OTA?

I am at a point in my life personal and professional whereby I feel I can expand in my ventures and the OTA seemed like the right fit.

WHAT AM I LIKE AS A PERSON?

I am Bubbly, happy go lucky type of person. I'm very outgoing. When it comes to work, I am dedicated to producing a high standard and strive to be as organised as I can muster. I'm a Manchester lass that's moved to Norfolk five years ago for my career.

WORK EXPERIENCE

I work for the Norfolk and Norwich University Hospital, in the maxillofacial and orthodontic laboratory

SKILLS

- Orthodontics - devices such as braces to straighten teeth, using metal or acrylic etc.
- Prosthodontics – dentures, dental implants and obturators
- Maxillofacial - reconstruction of faces damaged by disease or an accident.
- Osteotomies – Jaw reconstruction surgery
- Bone anchored hearing aid planning clinic – patients ear splints made for positioning of Baha Hearing aid.
- On-call – Jaw fractures etc.

Open Day

I recently did an Open Day presentation
On Aspects of being a dental technician.
