

Dental Professionals Conference Liverpool 2020

Kirsty Galt

M.I.M.P.T Dip P.S Maxillofacial Prosthetics & Technology

Brief Bio: Principal Maxillofacial Prosthetist and Technologist/Deputy of Service based in the Oral Facial Laboratory, University Hospital Crosshouse, Kilmarnock, Scotland. Qualified as a Dental Technician in 2002. Earned an advanced qualification in Orthodontics from Edinburgh's Telford College in 2005, In 2009 she attended Manchester Metropolitan University and in 2011 was awarded a Diploma in Professional Studies in Maxillofacial Prosthetics and Technology and has since gained over 9 years' experience as a qualified Maxillofacial Prosthetist.

In 2014 she gained full membership of the Institute of Maxillofacial Prosthetists & Technologists. She is also a Committee Member on her local Area Healthcare Science Committee and is currently working towards gaining equivalence with the Academy for Healthcare Science to become registered as a Clinical Scientist.

Kirsty has presented at professional congresses and has won Awards for Best First Time Lecturer (Glasgow 2017) and for outstanding Clinical or Technical practice (Swansea 2019)

Lecture title: Making Connections – A Case Study

Abstract: This presentation describes the prosthetic rehabilitation of a rhinectomy and maxillectomy patient, where osseo-integrated retention is very limited. Traditional methods combined with digital technology are employed to restore aesthetics and provide functional prostheses.

GDC development Outcome: A,B,C & D

Dental professionals Conference 30th & 31st October 2020

Venue: Liverpool Marriott, One Queen Square, Liverpool L1 1RH
