

OTA Conference 5th– 8th September 2024

This year's conference will be held in the Coylumbridge Hotel, a family Resort set in the heart of the Cairngorms National Park, Scotland.

Set in a 65-acre woodland estate, the hotel features a full list of amenities, including multiple dining options and an indoor pool. What's more, there are plenty of activities in the area to delight children and adults alike.

With up to 10 hours of verifiable CPD available from the variety of lectures and workshop sessions presented by our national and international speakers will hopefully be of interest and offer something for every delegate.

This conference is not just about the lectures and workshops because at the end of the day when the lectures are finished there will be a fun evening for you to relax with your peers and network to your heart's content.

More details can be found below.
